BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF BULLOCK PEN	)	
WATER DISTRICT TO INCREASE AND	)	
ESTABLISH CERTAIN NON-RECURRING	)	CASE NO. 94-144
CHARGES AND TO AMEND ITS TARIFF	)	

O R D E R

On April 11, 1994, Bullock Pen Water District ("Bullock Pen") filed an application to request authority to increase its 5/8 x 3/4 inch meter connection fee from \$390 to \$475, to increase its 1 inch meter connection fee from \$585 to \$640, and to allow a \$275 refund to mobile home park owners and subdivision developers who install a meter crock and meter lid suitable for meter installation upon payment of the \$475 connection fee. Bullock Pen also requested an amendment to its tariff regarding the installation of water lines within single-family development subdivisions, the billing and installation of water meters for multi-family apartment buildings, and the installation of water meters for mobile home units.

After reviewing the evidence of record and being otherwise sufficiently advised, the Commission finds that:

1. Bullock Pen's calculations of costs support the proposed charges and refund.
2. The charges and refund set forth in the Appendix to this Order, attached hereto and incorporated herein, are fair, just, and reasonable and should be approved.

3. The proposed tariff filed April 11, 1994 and revisions filed July 15, 1994 should be approved.

4. Notification of these rate increases was published and Affidavits of Notification were filed on August 29, 1994.

IT IS THEREFORE ORDERED that:

1. The charges and refund in the Appendix are approved for services rendered on and after the date of this Order.

2. Within 30 days of the date of this Order, Bullock Pen shall file its revised tariff setting out the charges, refund and amendments approved herein.

Done at Frankfort, Kentucky, this 14th day of September, 1994.
